

The Cottages at Quail Creek are state-of-the-art, licensed and certified assisted living residences for people living with Alzheimer's and other memory disorders. Under the direction of our highly qualified 24-hour staff and access to 7-days-a-week nursing, we provide personal care assistance, medication administration, meals, snacks and specialized activities. Our unique floor plan, inspired by Mayo Clinic research, allows residents to live in a smaller, home-like environment.

Licensed and certified assisted living residences for those living with Alzheimer's disease and other memory disorders

Memory care is all we do, and years of operating The Cottages residences have provided us with a deep understanding of what is needed to care for residents living with memory impairment.

At The Cottages at Quail Creek, we're all about life.
